

Nutcracker Rehearsals Through October 28

***The letter in the first column indicates the studio where dancers will rehearse. Dancers will be called to the studio by their instructors or assistants, so dancers should first report to the dressing rooms. Young children wait in the playroom (straight ahead when you go down the stairs), young men ages roughly 9 and up in the blue room (to the right at the bottom of the stairs), and young women roughly 9 and up in the pink room (to the left at the bottom of the stairs).
